About GWS Production AB and Safeture

GWS, (Global Warning System) was founded in 2009, triggered by the experience of the global SARS epidemic, the 2004 Indian Ocean tsunami, and the Mumbai terror attacks. The company offers a personal security mobile app, Safeture. The app protects travelers through real-time tracking and provides valuable real-time information about disasters, and other threats that could impact you while you're abroad. The system consists of a range of services that are delivered via the traveler's mobile phone and is suitable for both businesses (Safeture Pro), and for private individuals (Safeture).

The GWS share is listed on NASDAQ First North Stockholm. Sedermera Fondkommission is the Certified Adviser.
